Subject: Support the Sarcoma Community During Sarcoma Awareness Month

Dear Senator/Representative [Last Name],

I am a constituent from [City, State] and am writing in recognition of **Sarcoma Awareness Month** to ask for your support of the sarcoma community.

Sarcoma is a rare cancer that affects both children and adults, yet patients continue to face significant challenges related to diagnosis, treatment options, and access to research funding. As someone who has been personally impacted by sarcoma [or "As a supporter of the sarcoma community"], I believe it is critical that Congress prioritize investments and policies that improve outcomes for those affected by this disease.

I respectfully ask that you support the priorities outlined in the attached Sarcoma Advocacy Day materials, including efforts to advance research, improve patient care, and strengthen programs that benefit individuals living with rare cancers.

Thank you for your time, consideration, and service. I appreciate your support for the sarcoma community and look forward to your response.

Sincerely,

[Your Name]
